

Women in Africa need better access to legal aid.

Women lawyers need support.

There are so many women who need our help—let's make a task force.

Using IBJ's Discord Server, lawyers can get advice.

Discord is easy to access on phones and computers.

Lawyers in 10 African cities can connect to the world.

Lawyers can ask questions, connect and access resources.

Not guilty!

IBJ is helping women help women get justice.
